MISSION STATEMENT:
We are a 501(c)3 non-profit organization made up of CHS parents, family and friends, as well as local supporters of the CHS Performing Arts Department and Performing Art students including, but not limited to, Theatre/Technical Theatre, Vocal Music, Guitar/Instrumental Music, Orchestra, and Jazz Band.

Remember, you can also contribute additional funds to the Patrons which, because we are a 501(c)3 organization, can be tax deductible.

We are more than happy to provide a separate tax receipt for that purpose. Consult your tax advisor for deductibility of memberships.

Your financial and/or volunteer support will help Chaparral’s Performing Arts Department continue to be one of the largest and finest in the state, allowing us to be there with the resources and manpower to cover costs that are not in the budget and free up teacher time to focus on what matters - the students and their educational experience.

*****

Since its beginning in 2008, the organization has contributed more than $100,000 through donations and fundraising efforts for the purchase of large and small equipment items, as well as funds contributed to the Performing Arts Department to cover expenses and/or support of the program.

You can always find more information on various aspects of the organization through our many on-line resources:

- Patrons’ Twitter Page

Links can be found on the Patrons’ Website.

WE’D LOVE TO HAVE YOU JOIN US!

Unlike other activities where parent participation is mandatory, Patrons is an all-volunteer, behind-the-scenes organization that allows your student to “shine” while we quietly support them. We are also a social group that is here to help parents stay connected and involved in their child’s activities and meet other like-minded parents.

In a time when programs are being cut from the budget every year, we need the support and commitment of parents who believe in the value of performing arts in their student’s education.

Please join us at the next Patrons meeting.
